HAWAIIAN CHARIOT

MISSION STATEMENT AND PHILOSOPHY

(Sign Posted in Shop)

Here at HAWAIIAN WHEELCHAIR
MOTORBIKES, LLC. we never say “it’s good enough”
or that there is “no need”.

The need for improvement is constant and it is never
“good enough”.

By striving for perfection, we achieve excellence.

We spare no cost and always use the finest
materials available.

All electrical wiring and internal components
shall be protected from moisture, dust, vibration
and the elements with ultra-special care.

The HAWAIIAN WHEELCHAIR
MOTORBIKE is handcrafted with insulation, molding
stripping and beading that will tighten it up and
quiet it down.

Precision is the key word every step of the way and
wherever possible. If you should come across a
situation which is not accurate, then it is your job to
make it so. “Correct it and Improve it!”

Let us strive to build this HAWAIIAN WHEELCHAIR
close to failsafe and foolproof as possible.

All of us at HAWAIIAN WHEELCHAIR knows that a
“minor problem for an able-bodied person” can
be a potentially life threatening situation to a
HAWAIIAN WHEELCHAIR owner.

HAWAIIAN CHARIOT WHEELCHAIR MOTORBIKES, LLC.

www.wheelchairmotorbikes.com

The **HAWAIIAN WHEELCHAIR** is a
three-wheeled street-legal vehicle
for active people who are
mobility challenged.

There is no other vehicle like it!

The **HAWAIIAN WHEELCHAIR** gives
you the independence to go out
on your own - wherever you
want and whenever you like.
NO NEED TO TRANSFER!

The **HAWAIIAN WHEELCHAIR** is easy
to enter and a pure joy to drive.
You can go out whenever you feel
like it! **YOU'RE IN CONTROL!**

STREET - LEGAL
“Real Transportation
for Fun and Work”

The **HAWAIIAN CHARIOT** is dependable transportation ready to go when you are. Designed for use on public roads and licensed as a motorcycle. (motor-driven cycle)

In some states all you will need to operate the **HAWAIIAN CHARIOT** will be a regular Automobile Driver's License.

The regular “road test” course for obtaining a motorcycle license, often will not accommodate a three-wheeler.

It will be the responsibility of your State D.O.T. and D.M.V. to provide you with a comparable “motorcycle skills test”.

Consult your local A.D.A Office Attorney.

**THE COOL WAY
TO GET AROUND!
VISIT FRIENDS
COMMUTE TO WORK
RUN ERRANDS
JUST CRUISE.....&
ENJOY FRESH AIR
& GO IN STYLE!**

**OR GO “FULLY ENCLOSED”
& ARRIVE IN COMFORT &
STYLE!**

EASY TO DRIVE !

Individuals with normal upper-body abilities can use the **HAWAIIAN CHARIOT**.

All you do is roll your wheelchair in place and close the ramp-gate. Turn your ignition and you're on your way to: -work
-the park
-the beach.

Go shopping, or wherever you want to go. The **HAWAIIAN CHARIOT'S** automatic transmission and hand-operated controls makes it easy to drive.

“All” you need - accelerator, brakes turn signals etc. is right at your fingertips.
