“Real Transportation
for Fun and Work”

The **HAWAIIAN CHARIOT** is dependable transportation ready to go when you are. Designed for use on public roads and licensed as a motorcycle. (motor-driven cycle)

In some states all you will need to operate the **HAWAIIAN CHARIOT** will be a regular Automobile Driver's License.

The regular “road test” course for obtaining a motorcycle license, often will not accommodate a three-wheeler.

It will be the responsibility of your State D.O.T. and D.M.V. to provide you with a comparable “motorcycle skills test”.

Consult your local A.D.A Office Attorney.
